CONFIDENTIAL INFORMATION AND PROPRIETARY DEVELOPMENTS

Name: Robert Drebin
(Type or Print)

- A. I am a paid employee of Silicon Graphics, Inc. ("SGI").
- B. This Agreement concerns trade secrets, confidential information, and knowledge not generally known to the public, that I acquire or develop in connection with my employment by SGI. As to these, I agree:
1. to use them only in the performance of my duties for SGI; and
 2. to forever hold them in confidence and trust; and
 3. to use all reasonable precautions to assure that they are not used or disclosed to unauthorized persons or in an unauthorized manner, at any time during my employment with SGI as well as thereafter.
- C. This Agreement also concerns inventions, improvements, data, processes, computer programs and discoveries (hereinafter called "Proprietary Developments") that are conceived or made by me (alone or with others) while I am (or while they are) employed by SGI, and which relate to the research and/or development of the business of SGI or which result from tasks assigned to me or those others by SGI; and that do not qualify fully under the provisions of California Labor Code Section 2870.* Such Proprietary Developments are the sole property of SGI, and I agree:
1. to disclose them in writing promptly to SGI;
 2. to assign them to SGI; and
 3. to execute all documents and do all things necessary to assist SGI in obtaining patent, copyright and/or trade secret protection in all countries, SGI to pay the expenses.
- D. I further agree that in my work for SGI I will not use any trade secrets, confidential information or knowledge not generally known which belongs to any person other than SGI; and I have listed on the back of this sheet all inventions, improvements, data, processes, computer programs and discoveries that have been conceived or made by me alone or with others prior to my employment by SGI.
- E. Upon termination of employment, I will not take with me any documents or materials of any nature relating to the Proprietary Developments or Trade Secrets described in paragraphs B and C above.
- F. The above provisions shall be separately construed. If any of them is held to be unenforceable, the remaining provisions shall not be affected.

* Section 2870. Employment agreements; assignments of rights.
Any provision in an employment which provides that an employee shall assign any of his or her rights in an invention to his or her employer shall not apply to an invention for which no equipment, supplies, facility, or trade secret information of the employer was used and which was developed entirely on the employee's own time and (a) which does not relate (1) to the business of the employer or (2) to the employer's actual or demonstrably anticipated research or development, or (b) which does not result from any work performed by the employee for the employer. Any provision which purports to apply to such an invention is to that extent against the public policy of this state and is to that extent void and unenforceable.

ATTACHMENT TO EMPLOYMENT AGREEMENT

Name: JOHN MONTLYM
(Type or Print)

I have listed on this sheet all inventions, improvements, data, processes, computer programs and discoveries that have been conceived or made by me alone or with others prior to my employment by SGI. I understand and acknowledge that all inventions, improvements, data, processes, computer programs and discoveries relating to the matters listed on this sheet which are conceived or made by me (alone or with others) while I am (or while they are) employed by SGI, and which relate to the research and/or development of the business of SGI or which result from tasks assigned to me or those others by SGI; and that do not qualify fully under the provisions of California Labor Code Section 2870 (as reproduced on the other side of this sheet) are the sole property of SGI, and thus subject to the provisions of Section "C" of my Employment Agreement with SGI as set forth on the other side of this sheet.

Employment Termination Certification

This is to certify that I, JOHN MONTRYM, do not have in my possession, nor have I failed to return, any devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, equipment, other documents or property, or reproductions of any such items belonging to or prepared by me during the course of my employment by Silicon Graphics Inc., its subsidiaries, successors, or assigns (together, 'SGI'). I acknowledge that I am not authorized to remove any such documents (including copies) or other property from SGI's premises.

I further certify that I have complied with all the terms of the SGI Confidential Information and Inventions Agreement signed by me, including the reporting of any inventions, conceived or made by me (solely or jointly with others) covered by that agreement.

I further agree that, in compliance with the Confidential Information and Inventions Agreement, I will preserve as confidential all trade secrets, confidential knowledge, data or other proprietary information relating to products, processes, know-how, designs, formulas, developmental or experimental work, computer programs, databases, other original works of authorship, employee and customer lists, business plans, financial or organizational information or other subject matter pertaining to any business of SGI or any of its clients, customers, consultants or licensees. I further acknowledge that information regarding SGI employees, including without limitation organizational charts, employee compensation and other benefits offered to employees constitute valuable trade secrets of SGI, and that use of such information in soliciting or recruiting current employees of SGI would constitute a violation of SGI's rights.
